

Job Title: Land Development Project Manager

Location: Gastonia, NC

Type: Full-Time

The Thrasher Group North Carolina is a multi-disciplinary firm growing through the Mid-Atlantic over the past 40 years. Our team is composed of professionals in civil engineering, landscape architecture, and field services with a passion for the work we do. Our Land Development team works on a large variety of projects for both public and private clients including commercial development, residential development, industrial development, public improvement projects, reclamation projects, and special projects focused on outdoor recreation and tourism. We are looking for an Project Manager to join our team to manage projects from concept to completion.

Essential duties & responsibilities include, but are not limited to:

- Prepare construction plans; perform or review calculations for design, grade lines, alignments, and drainage.
- Prepare plans for permitting and construction of land development projects which include design, layout, grading, drainage, and E & S controls.
- Prepare detailed project cost estimates.
- Work with construction inspection personnel, as required, and review daily field reports to assure that contracted work accomplishes the intent of the contract documents and roadway design.
- Coordinate and maintain all aspects of project management.

Qualifications:

- A BS from ABET accredited university in the field of Civil or Environmental Engineering
- A minimum of 4 years of experience is required.
- Possess the ability to mentor junior staff.
- PE Certification, or the ability to obtain, is highly desired.
- Knowledge of MicroStation with Inroads design software; GeoPak and Civil 3D experience is a plus.

The Thrasher Group North Carolina provides an excellent benefit package which includes health, dental and vision insurance, company paid short- and long-term disability, life insurance, Traditional & Roth 401(K), 401K matching, paid parental leave, paid-time off, tuition assistance and much more.

An emphasis is placed on professional development which includes structured goal setting and specialized training opportunities. Professional development is monitored and recognized bonuses and annual salary reviews.

In promoting a family-oriented culture, we recognize the importance of work life balance and schedule flexibility.

The Thrasher Group North Carolina conducts pre-employment drug screens and background checks on all applicants who accept offers of employment. Authorization to work in the United States is a precondition of employment. "EEO/AA/E-Verify
