

Job Title: Survey CADD Technician

Location: Kings Mountain, NC

Type: Full-Time

The Thrasher Group North Carolina is a full-service engineering and field services consulting firm with a rich resume of project success throughout the Mid-Atlantic region. Our team of skilled experts delivers a vast array of professional services to clients across five major markets: architecture, land development, water resources, transportation, and energy.

We are looking for a Survey CADD Technician to join our team in Kings Mountain. If you are a highly motivated team player that thrives in a fast-paced work environment, then this opportunity could be for you.

In this role, you will be asked to:

- Process field crew survey data
- Maintain project point database files
- Prepare base survey mapping
- Conduct field trips, when necessary, to clarify/verify survey data
- Produce drawings using computer assisted design/drafting equipment & software
- Revise and/or modify drawings as necessary
- Plot, organize and assemble project related documents

Qualifications may include:

- Associates degree in drafting/design and/or equivalent combination of education and experience
- A minimum of two (2) years of applicable experience
- Proficient in Civil 3D, Autocad, or Carlson
- Possess the ability to work independently or collaboratively
- Strong communication and time management skills

The Thrasher Group North Carolina provides an excellent benefit package which includes health, dental and vision insurance, company paid short- and long-term disability, 401K matching, paid-time off, tuition assistance and much more.

An emphasis is placed on professional development which includes structured goal setting and specialized training opportunities. Professional development is monitored and recognized bonuses and annual salary reviews.

In promoting a family-oriented culture, we recognize the importance of work life balance and schedule flexibility.

The Thrasher Group North Carolina conducts pre-employment drug screens and background checks on all applicants who accept offers of employment. Authorization to work in the United States is a precondition of employment. "EEO/AA/E-Verify
